SIR,

With reference to your Memo No L 1783 dated 22-9-27 in the matter of the acquisition of certain lands for opening a through conservancy lane in Chintamani Town, I have the honour to forward herewith the file of correspondence ending with the Malur Sub Division Officer's Memo No L A 2/27-28 dated 20-1-28 and to state as follows -

After the preliminary notification was published in the Mysore Gazette dated 29-9-27, Hodali Hanumanthara,appa, Munisamaiya and Komarachari appeared before the Sub Division Officer, Malur on 29-12-27 in pursuance of a notice issued to them and gave statements to the effect that there is no need for the ~~opinion~~ opening of a conservancy lane and that no portion of their property need be acquired Should Government consider that there is necessity of opening the conservancy lane they will have no objection to its formation without acquiring their properties etc The Sub Division Officer thereafter inspected the spot in company with the Amildar and the owners on 30-12-27 and reported that the acquisition proposed is in his opinion wholly unnecessary and the public interest would be much better served if the former plan i e the acquisition of 9 1/3rd sq yards of ground out of the back-yard (Kanashumari No 239) of Volati Govindayya, and opening a conservancy lane behind Hodali Hanumantharavappa's house in Chintamani, sanctioned in G O No L 768-41 24-20-4 dated 25-7-22 is adhered to The record disclosed that Mr S Hiriannaiya the then Deputy Commissioner had after a personal inspection of the spot observed that there was urgent necessity of opening a through -

through conservancy, that the President had been requested to place the proposal before the Municipal Council for consideration (vide Memo No O C 640/25-26 dated 11-1-1926 Flag A) and that in pursuance of the resolution of the council the present proposal had been recommended I therefore inspected the spot on 3rd May 1928 in company with the Amildar and the Vice President and am satisfied that there is an - urgent necessity of opening a through conservancy as proposed by - Mr S Hiriannaiya

I do not agree with the Sub Division Officer's opinion that the acquisition is un-necessary The contention of the interested persons against the proposal is untenable and it is based on selfish motives The locality is highly congested and any attempt made to open out - conservancy lanes is in the right direction The order of Government relied on by the Sub Division Officer has not given any relief and the measures proposed by the local authorities are to say the least, half-hearted In these circumstances, I request you will be so good as to obtain the sanction of Government for the acquisition of the - properties now proposed in the Declaration statements herewith - submitted under Sections 6 and 7 of the Land Acquisition Regulation, and cause the same to be published in the Mysore Gazette

The Sub Division Officer, Malur Division may be appointed to perform the functions of a Deputy Commissioner under the Land Acquisition - Regulation and authorised to take order for the acquisition of the said properties

In view of the revised proposals now submitted the notification No 709/ L 24-20-12 dated 25-7-1922 published at Page 471 in Part II of the Mysore Gazette, dated 7th September 1922 may be kindly cancelled.

I have the honour to be,
Sir,
Your most obedient servant,

Treasury Assistant Comm s
